Coaches vs. Cancer is a nationwide collaboration between the American Cancer Society and the National Association of Basketball Coaches (NABC). For 30 years, this program has united coaches, fans, and members of the basketball community in fundraising and educational initiatives that fuel the mission of the American Cancer Society—to end cancer as we know it, for everyone.

Coaching vs. Cancer

"Teaming with coaches throughout the nation to support and grow Coaches vs. Cancer has been a personal highlight. No matter how much our industry evolves, staying united and finishing this fight against cancer must remain a priority for us. We’ve made such an impact throughout the years. We must keep competing for continued progress."

- Lon Kruger, Coaches vs. Cancer Council Chair
  Collegiate Basketball Hall of Fame

“Nothing better embodies the ability for sport to be a force for good than an entire profession of basketball coaches—from the largest Division I arenas to the smallest high school gyms—uniting in support of Coaches vs. Cancer. Whether you host a fundraiser, plan a Suits And Sneakers Week game, or simply offer encouragement to a friend battling the disease, you play a critical role in advancing the life-saving work of Coaches vs. Cancer, and I thank you for your efforts. We won’t stop fighting until the battle to defeat cancer for good is won.”

- Craig Robinson, Executive Director, NABC

ASK OF COACHES

Coaches vs. Cancer’s **Suits And Sneakers Week** is a nationwide event that unites basketball coaches across the country for a common cause—saving lives from cancer by promoting the importance of regular screening.

During the last week of every January, coaches at all levels of the game are encouraged to wear their suits with sneakers in support of Coaches vs. Cancer and the American Cancer Society.

What should Coaches do for Suits And Sneakers Week?

**Wear your Suits And Sneakers...**

- We’re asking every coach to wear their suit with sneakers during a game(s)* from **January 22–28, 2024**. Make sure to pick a pair of sneakers that stands out! (Custom sneakers encouraged!)
- Talk to the media about why you are wearing your sneakers with your suit for this game during interviews and press conferences.

*Don’t have a home game that week? You can choose to participate during a different home game or participate during an away game that week.

**I Suit Up For...**

- Record a short video (20–30 seconds) detailing who you will **#suitup** for during Suits And Sneakers Week. Please use the provided “**I Suit Up For**” **sign** as a visual for the video.
- Fan Engagement/Social Media: Please post a video on the coach’s personal and team social channels. The signs can be utilized by the coaching staff, team members, athletic department staff, etc. for social media, marketing, fan engagement, and more. **Who will you #suitup for?** Please use provided social media instructions for sample posts, tagging, etc.

**Add some fun and flare into your game...**

- Want to engage your student-athletes and fans in Suits And Sneakers Week? Or create some custom sneakers? Ideas are included on the next few pages!

Coaches vs. Cancer’s **Set the Screen** is a unique campaign focused on getting the message out about the importance of cancer screening. To do this, we are leveraging the platforms that coaches and leaders (CEOs) in our communities have and amplifying the message that **cancer screening saves lives** during our biggest week of the year—Suits And Sneakers Week (January 22–28, 2024).

**The process is simple:**

- Coaches can opt-in by selecting a CEO/Executive to participate with them OR ask ACS to pair them with a local CEO/Exec.
- The CEO/Corporation will choose one of three levels of participation ($5K–$10K).
- Filming will take place in September/October PRIOR to the start of the season.
  - If a company opts to participate at the $10K level, the participating Coach and CEO will film 2–3 short screening scripts together with a mutually agreed upon film crew at a mutually agreed upon location (at a company or university).
- CvC will package up the videos for the company—**the primary use of the videos is for the company.** They will share these with their employee base and on social media during Suits And Sneakers Week. The MBB program/Athletic Department will also be able to utilize the videos on their own social (not required, but encouraged!).

Fundraising

Fundraising provides much-needed support for the American Cancer Society. There are lots of fun ways your school can raise funds, including creative virtual activities.

Create your online fundraising page

Coaches:
You can set up your team’s online fundraising page anytime by visiting coachessvscanceracs.org, and clicking “Sign up.” This can also be done by someone at your school on your behalf. If you don’t have a relationship with a local American Cancer Society partner and have additional questions about setting up your page, please feel free to contact coachessvscancer@cancer.org.

Please remember:
You can create your team’s fundraising page and raise funds anytime until March 31, when the winners will be announced.

Please reach out to coachessvscancer@cancer.org or call 1-800-227-2345 with any questions.

Establish a planning committee

In an effort to maximize reach and engage students, faculty, fans, and the community as a whole, each school can create a small, local planning committee comprised of those interested in driving fundraising support (students, athletes, staff, parents).

Committee responsibilities:
- Creating a campaign utilizing provided marketing materials
- Developing an activation plan
- Fundraising
- Setting local campaign goals
- Implementing campaign initiatives
- Spreading messaging/awareness to their respective groups/organizations
- Setting up their team’s fundraising campaign page at coachessvscanceracs.org and sharing their unique fundraising URL with all potential donors

Fundraising ideas

Game Day fundraising:
- Hold a 50/50 raffle during a game or throughout the week leading up to the game.
- Wall of Hope: Sell basketball-themed donation cards for fans to sign and post on a wall of the gym (available on the resource tab of coachessvscanceracs.org).
- While creating your fundraising page, pick a stat (free throws, layups, etc.) and ask supporters to pledge per chosen stat.
- Supporters can also choose to make a flat donation on the page.
- Livestream the game(s) so relatives, friends, and supporters can watch from anywhere. Send out watch party invites and include the link to your fundraising page to encourage everyone watching to donate.
- Tell your story. When creating your page, you can customize it to share with supporters why this is important to you and your team. Then, email the link to your page to all your supporters and ask them to donate. Have your players share the link, too!
- Start an email campaign and have coaches and players send emails to current and past supporters (individuals and companies), sharing why this cause is important to them. Ask them to support your campaign via your team’s page.

To submit check donations and ensure they are added to your fundraising page, please contact your local ACS partner or email coachessvscancer@cancer.org.
The National Federation of State High School Associations is proud to call the American Cancer Society their philanthropic partner.
